BEFORE THE UTILITY REGULATORY COMMISSION

* * * * *

In the Matter of

THE APPLICATION OF AIRCALL, INC.)
FOR CERTIFICATE OF CONVENIENCE)
AND NECESSITY TO PROVIDE RADIO)
PAGING AND TWO-WAY RADIO SERVICE) CASE NO. 7530
TO LOUISVILLE AND CRESTWOOD,)
KENTUCKY AREAS)

O R D E R

On July 30, 1979, Aircall, Inc. (Applicant), filed with the Commission its application for a Certificate of Public Convenience and Necessity, and authorization to provide Direct Dial Paging, Direct Dial Tone and Voice Paging, and Two-Way Interconnected Mobile Radio Service in Louisville and Crestwood, Kentucky, and their environs, and further to effect and interconnection with the facilities of South Central Bell Telephone Company to accomplish this service.

Applicant proposes to construct or otherwise obtain all necessary facilities to provide these services as more specifically set out in the application and evidence of record.

The matter was set for hearing in the Commission's offices at Frankfort, Kentucky, on December 5, 1979, at 1:00 p.m., Eastern Standard Time. The hearing was held as scheduled and all parties of interest were given the opportunity to be heard. There were no intervenors present at the hearing.

The Commission, after consideration of the Application and all evidence of record, and being advised, is of the opinion and finds that the Public Convenience and Necessity require that such service as is proposed in the Application and record be performed, and that a Certificate of Convenience and Necessity should be granted.

The Commission further finds that the rates and charges proposed in the application and exhibits are fair, just, and reasonable, and should be effective with the institution of service.

IT IS THEREFORE ORDERED that Aircall, Inc., be and it hereby is granted a Certificate of Convenience and Necessity to proceed with the provision of service as set forth in the Application and record.

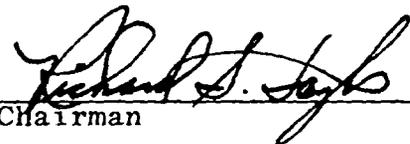

IT IS FURTHER ORDERED that Aircall, Inc., shall file with the Commission, at least thirty (30) days prior to the initiation of such service, its tariff setting forth its rules, regulations, and rates in the manner prescribed by the Regulations of the Commission.

IT IS FURTHER ORDERED that Aircall, Inc. shall file with the Commission, as soon as it is available, a copy of its contour map showing its proposed Reliable Service Area, as required in the Application for station license to the Federal Communications Commission.

IT IS FURTHER ORDERED that the rates and charges shown on Appendix "A", attached hereto and made a part hereof, be and they hereby are approved effective with the institution of the service approved herein.

Done at Frankfort, Kentucky, this 24th day of January, 1980.
